## Details checked, currently licensed
- Issued by ____________________________
- Certifying reg no ________________
- Licence expiry rate *(must be current)* ________________
- Business address ______________________

## Building consent checked
- In respect of the testing of water pipe work prior to concealment, at
  - Address ____________________________
  - For *(name of owner)* __________________ BC no ________________

## Fully completed
- I hereby state that I have tested the water pipe work installed in the building authorised by the building consent detailed above using the following method
  - Full  □ Part  □ If part, please specify
  - By pressurising the pipe work to 1500 kPa for a period if not less than 15 minutes for the cold and hot water supply and checking to see that there are no leaks. *(NZBC G12/AS1 Clause 7.5.1)*
  - By pressurising the u.p.v.c. cold water pipe work to 1.5 times the maximum working pressure for a period of not less than 15 minutes and checking to see that there are no leaks *(NZBC G12/AS1 Clause 7.5.1)*
  - By pressurising the pipe work to 1500 kPa for a period of not less than 5 minutes and checking to see that there are no leaks *(AS/NZS 3500.1-2003)*
- and believe on reasonable grounds, that the pipe work has passed that test

## Signed and dated
- I understand that this producer statement will be relied upon by Council to confirm compliance with the building code and/or the condition of the building consent to which it relates
- I have read and understood the consented documents related to the work and confirm that the materials and processes used are consistent with those documents
