DECISION (ON THE PAPERS)

This is an application for a Managers Certificate by Dawn Louise Butler. The application is supported with a copy of the required Licensed Controller Qualification (LCQ) and the Licensed Controller Qualification Bridging Test.

Section 222 of the Act provides that in considering an application for a managers certificate the Licensing Committee must have regard for the following matters :

- (a) the applicant's suitability to be a manager:
- (b) any convictions recorded against the applicant:
- (c) any experience, in particular recent experience, that the applicant has had in controlling any premises for which a licence was in force:
- (d) any relevant training, in particular recent training, that the applicant has undertaken and evidence that the applicant holds the prescribed qualification required under [section 218](#):
- (e) any matters dealt with in any report made under [section 220](#).

The committee has received reports on the application from the Police and the Licensing Inspector and neither has raised matters in opposition. Accordingly the committee deals with the matters on the papers.

The applicant is currently the acting manager for McMorrisey's. She has worked as a bar person at the Grand Hotel for three years.

The committee is satisfied as to the matters to which it must have regard as set out in s.222 of the Act and the application is granted subject to a condition that the applicant may only use the manager's certificate at McMorrisey's, Whangarei, for the first twelve months. The certificate may issue immediately.
