

IN THE MATTER

of the Sale and Supply of Alcohol Act
2012

AND

IN THE MATTER

of an application by **FREDA MIHI FAYE**
pursuant to s.224 of the Act for the
renewal of a Manager's Certificate.

BEFORE THE WHANGAREI DISTRICT LICENSING COMMITTEE

Chairman: Councillor John Williamson
Member: Mervyn Williams
Member: Mark Vincent

DECISION (ON THE PAPERS)

This is an application for the renewal of a Managers Certificate by **Freda Mihi Faye**. The application has been properly made prior to the expiry of the licence.

Section 227 of the Act provides that in considering an application for the renewal of a managers certificate the Licensing Committee must have regard for the following matters:

- (a) the applicant's suitability to be a manager:
- (b) any convictions recorded against the applicant since the certificate was issued or last renewed:
- (c) the manner in which the manager has managed the sale and supply of alcohol pursuant to the licence with the aim of contributing to the reduction of alcohol-related harm:
- (d) any matters dealt with in any report made under section 225.

The committee has received reports on the application from the Police and the Licensing Inspector and neither has raised matters in opposition. Accordingly the committee deals with the matters on the papers.

The applicant has recently moved to Whangarei and had been working as a duty manager for Bream Bay Club situated at 5 Princes Road, Ruakaka. The Club provided a reference to support the applicant's renewal application.

Ms Faye has recently been employed by Waipu Hotel as a bar manager, which has been confirmed in the employer's letter.

The applicant previously worked in the Waipa District where her manager's certificate was issued in 2010. There are no matters that would suggest that the applicant's management of licensed premises is other than satisfactory in terms of compliance with the provisions of the Act.

The committee is satisfied as to the matters to which it must have regard as set out in s.227 of the Act and that the applicant holds the required Licensed Controller Qualification and Bridging Test. The application is granted and the committee renews the manager's certificate for a further 3 years. The certificate shall expire on the 14 July 2017. The certificate may issue immediately.
