DECISION (ON THE PAPERS)

This is an application by **Tikipunga Association Football Club Incorporated** for an on-site special licence in respect of Tikipunga Association Football Club premises situated at Reed Street, Tikipunga, for an event known as the Marie Taylor 30th birthday celebration.

The day and hours sought for the event is Saturday 12 April 2014 – 7.00pm to 12.30 am the following day

The applicant has applied for a special licence to sell and supply alcohol to non-members attending the birthday party and about 60 people are expected to attend the event. The applicant is an incorporated club that has held a club licence since 1991. Special licences have previously been issued to the applicant for similar events and there are no questions as to the suitability of the applicant to hold a special licence.

The committee has received reports on the application from the Police, the Medical Officer of Health and the Licensing Inspector and none have raised matters in opposition. Further more the application did not require public notice. Accordingly we deal with the matters on the papers

Section 142 of the Sale and Supply of Alcohol Act 2012 provides that in deciding whether or not to issue a special licence, the licensing committee must have regard to the following matters :

(a) the object of this Act:

(b) the nature of the particular event for which the licence is sought and, in particular,—

(i) whether the applicant is engaged in, or proposes at the event to engage in, the sale of goods other than alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which goods; and

(ii) whether the applicant is engaged in, or proposes at the event to engage in, the provision of services other than those directly related to the sale of alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which services:

(c) the suitability of the applicant:

(d) any relevant local alcohol policy:

(e) whether (in its opinion) the amenity and good order of the locality would be likely to be reduced, by more than a minor extent, by the effects of the issue of the licence:

(f) the days on which and the hours during which the applicant proposes to sell alcohol:

(g) the design and layout of the premises concerned:

(h) whether the applicant has appropriate systems, staff and training to comply with the law:

(i) any areas of the premises that the applicant proposes should be designated as restricted areas or supervised areas:

(j) any steps the applicant proposes to take to ensure that the requirements of this Act in relation to the sale and supply of alcohol to prohibited persons are observed:

(k) the applicant's proposals relating to—

(i) the sale and supply of non-alcoholic drinks and food; and

(ii) the sale and supply of low-alcohol drinks; and

(iii) the provision of help with or information about alternative forms of transport from the premises:

(l) any matters dealt with in any report from the Police, the Medical Officer of Health, or an inspector made under section 141.
