

# Civic Honours Awards

## Nomination form and guidelines

***A Civic Honour is the highest award  
that Whangarei District Council bestows upon its citizens.***

Every year Whangarei District Council honours up to four citizens for outstanding voluntary service with its Civic Honours Awards Ceremony.

Past recipients have come from every walk of life and from fields as diverse as surf lifesaving, cultural groups, disability support, conservation, and work with disaffected youth.

Potential recipients will have made a significant contribution to community wellbeing in the Whangarei District. They may have had their fingers in quite a few 'community pies' or may have devoted a lifetime of service to a single cause.

They might be someone who is well known in the district, or they may deliberately operate under the radar. The only common denominator seems to be a spirit of generosity.

If this brings someone to mind, please take this opportunity to have your favourite local hero or heroine acknowledged.

### Who can be nominated?

All nominees must live in the Whangarei District.

Any person, who by their personal leadership, inspiration, sacrifice or devotion to a cause has made a significant contribution to the community wellbeing of the Whangarei District, is eligible for nomination.
