The specific provisions of the Plan Change that my submission relates to are

Southern Precinct development - linkages
to the coast.

I support/oppose/seek amendment to the specific provision listed above. (delete what's not applicable)

My submission is

I would like to ensure that access to the coast provided within development of Southern Precinct is made available for use by the entire community including existing property owners

My reasons are (attach additional pages if required)

Further development of this area will place additional pressure on usage of existing roads & accessways. By planning for general weage access to the coast throughout the site the community will be compensated & benefited by the development.

State the decision you wish Council to make to ensure the issues you raise can be dealt with (i.e. give precise details of what you would like included or deleted from the plan)

I Would like included in the plan specific linkages through the Southern Precinct (and others if possible) to the coast for existing areas & roads in Ruakaka as well as the new development.

I wish to be heard in support of my submission
