The specific provisions of the Plan Change that my submission relates to are

**New possible connections. (A new road from Tamure Place to the race course).**

13/29658

I support/oppose/~~ask~~ amendment to the specific provision listed above. (delete what's not applicable)

My submission is

I oppose the addition of new possible connections, beside the Dune Lake.

My reasons are (attach additional pages if required)

I am concerned that a possible connection road beside the Dune Lake will have a negative impact on the Dune Lake and it's natural inhabitants. I am also concerned that it could cause more issues with flooding around the Dune Lake which is already an issue during heavy rain fall.

State the decision you wish Council to make to ensure the issues you raise can be dealt with (i.e. give precise details of what you would like included or deleted from the plan)

I would like to see the addition of a new possible connection beside the Dune Lake to be removed (deleted).

I wish to be heard in support of my submission
