Dear Melissa McGrath
Re Private Plan Change 135
lodged by GNL Co Ltd that is to confirm
that in view of the changes made to
this application I now withdraw my
opposition. Part of my concerns one way
or another have now been addressed.

Since I made a further submission in
support of the Refinery NZ I have been
waiting for its response but with
no reply I consider I can wait
no longer.

The proposed re-development of what was
originally called Port Harbord Business Park
is greatly improved and does not appear
to be in conflict with the existing
Ruakaka community. There are two other

issues I am concerned about and
since they do not form part of
the original application no more controls
there is no legitimate excuse to
raise them at this point in time.

Yours sincerely -

Garrett B. White
