Submission point

Clearly indicate which particular parts of the submission you support or oppose

We have read the submissions no. 180,401,419 that also affect our property 40 Ruby Way, Waipu, and we concur with the submitters.

We support the submissions to zone the area that includes all of Ruby Way to RLE and not to RPE, for the reasons outlined in those submissions.

The reasons for my support/opposition are (state in summary the nature of your further submission giving clear reasons)

Ruby Way has been subdivided and used for rural living.

It would be fanciful to reverse the activity to rural production by re-zoning to RPE, when the activity and size of the lots are contrary to the Plan change proposal. The intent of the proposed Plan change will not be achieved in this respect for this area.

I seek that the ~~whole~~/part of the submission be allowed/~~disallowed~~ (delete not applicable)

that seeks to zone Ruby Way to RLE.

I wish to be heard in support of my further submission
