Dear Sarah,

**RE: CHANGES TO GRADUATED LEVEL OF ENVIRONMENTAL BENEFIT
LOTS: PROPOSED WHANGĀREI DISTRICT PLAN CHANGE**

I can confirm that I have reviewed the changes to the proposed graduated level of additional Environmental Benefit Lot criteria (R.P.E. 3.4.4 (a)).

I am completely supportive of these changes. I recognise the importance of providing additional incentives to protect areas of high ecological value, and support the concept of allowing additional lots provided the ecological integrity and value of the site has been properly assessed by a suitably qualified and experienced professional ecologist.

I am happy to back this letter verbally if required.

Yours Sincerely
