Policy 17/110 Postponement and/or Remission of Rates and Charges on Properties Affected by Fire or Natural Calamity

Objective of the Policy

This policy recognises that where a rating unit has been affected to the extent that the land or buildings are irretrievably damaged, where it cannot be used, then the application of full rates could cause financial hardship.

The objective of the policy is to enable appropriate rate relief to be provided where the use that may be made of any land or buildings have been detrimentally affected by fire or natural calamity.

Criteria and conditions

Council may remit and/or postpone rates wholly, or in part, in respect of any land or buildings affected by fire or natural calamity, where it considers it fair and reasonable to do so.

1. The repayment of any postponed rates will be determined at the time the application is approved, and will depend on the circumstances of the fire or natural calamity.
2. Any application for rates relief due to fire will not be accepted if council has any reason to suspect, on reasonable grounds, that the fire was deliberately caused by owner, occupier or a related party.
3. To be considered for rates postponement and/or remission under this policy, the ratepayer must apply for rates postponement and/or remission under this policy, provide information in the prescribed form on how the relevant criteria and conditions are satisfied and complete any relevant statutory declarations as may be required by Council.
4. If an application is approved, Council may direct its valuation service provider to inspect the rating unit and prepare a valuation that will take into account any factors that could affect the use of the land or buildings as a result of the fire or natural calamity. As there are no statutory rights of objection or appeal for valuations of this nature then the valuation service provider's decision will be final.

Delegations

Decisions on remission and/or postponement of rates under this policy will be delegated to officers as set out in Council's delegation manual.
