

KAMO Shared Path

THE FINAL BIT

KAMO Shared Path

has almost reached its namesake village and we are continuing with design and funding arrangements in order to build this last piece of the route.

We'll have it ready for you to use as soon as we can.

In the meantime, we hope that you are enjoying the majority of the route that has been completed.

Don't forget to check out the other urban paths that have been completed in recent years. You will find a map at the western end of the Old Library in town and on Council's website www.wdc.govt.nz
