This item is in accord with Council's vision, mission and values statement.

Background

The Local Government Act 2002, Schedule 7, Clause 19 contains general provisions for the calling of meetings. Clause 19(6) provides for the local authority to adopt a schedule of meetings that:

- may cover any future period that the local authority considers appropriate; and
- may be amended.

Significance and Engagement

Having considered the Significance and Engagement Policy this decision is not considered significant and the public will be informed via Agenda publication on the website.

Discussion

This report seeks an amendment to the adopted schedule of meetings.

Currently Council meetings are held at 10.00am on the fourth Wednesday of the month, following the Finance Committee meetings which begin at 9.00am.

It is proposed that the Council meeting start at 10.30am to allow the Council more time to consider items on the Finance agenda.

Recommendation

That the Council meeting time be changed from 10.00am to 10.30am and the schedule of meetings be updated accordingly.
