Being a part of the Whangarei Heads/Parua Bay community and Northland along with my family

is awesome.

My passions are people and communities which is why I founded Go-Whangarei.

I enjoy all outdoor activities, diving, fishing and of course flying helicopters.

I have played a quiet role in supporting the Parua Bay community and Parua Bay school for over 13 years.

With over 35 years hands on business experience across a range of businesses and as a farmer in Parua Bay I have a good understanding of the challenges facing people and rural communities.

I am a practical person with common sense and business experience.

I do not make excuses, will always stand accountable and rarely take no for an answer.

As a member of Go-Whangarei I have promised: No rate increases; Free Parking; Cheaper Rubbish; More community funding; Less bureaucracy.

**Greg INNES**

My principal place of residence is in the Whangarei Heads Ward area.

Parua Bay my home for 36 years.

I need your continued support to ensure Council recognises the value of Whangarei Heads Ward to the wider District. Our Ward is special. Our

communities have strong growth. Through your continued support and vote we can enhance our lifestyle.

I offer you my extensive experience as an effective community representative. Currently Chair Council's Planning Standing Committee and the Bream Head Conservation Trust. Previously I have Chaired the Parua Bay School and had Directorships on Northland Health and Conservation Boards.

I have the skills and commitment to influence decisions positively. Previous roles have included Planning Director for Northland and over 23 years of consultancy practice successfully completing significant contracts with government departments, Auckland councils, and local government organisations throughout New Zealand and the United States. Ensuring organisations have direction and connect effectively with their communities is what drives me.
