

**SPEDDING ROAD & KAMO BYPASS INTERSECTION**

**Spedding Road Link**

The Council's new planned Spedding Road link, planned to start in early 2010, will provide a connection between Tikipunga and Kamo by connecting the Tikipunga end of Spedding Road with the new Kamo Bypass extension.

It will provide an alternative north/south connection for the Tikipunga and Glenbervie suburbs from the Mill Road/ Nixon/ Hatea route into town.

The Council already owns the land for the project and the route will be a high quality two lane road with separate walking and cycling facilities linking Tikipunga Otangarei and Kamo

**KEY:**

- Proposed Cycle Way
- Proposed Footpath
- Proposed extension of Spedding Road

**Find out more**

At an information evening on **Tuesday 28 July** at Kamo Bowling Club 13A Three Mile Bush Road, from 5:30pm-7pm.
