

CHALLENGE 15

Get Out

Try one of these activities in the great outdoors

Get the big picture

Bring the inside out!

Got any pens, pencils, paints or crayons?

Are there any BIG cardboard boxes at home?

Try opening the box up and flattening it out and asking a grownup about an outside wall that you could stick it up with tape.

Make sure the inside of the box is facing you so you have a blank canvas to create, draw, paint, scribble, write or just go doodle-mad!
