2 Cloud Spotting

Now you are lying comfortably – can you identify what type of clouds you are looking at?

This is an easy activity whenever you are outside or going somewhere in the car.

Once you have got the knack you can start identifying what type of clouds are likely to bring rain – making you a popular person to bring to a picnic!

Identify your favourite type of cloud and send us a photo of it.

3 Pooh Sticks

Why don't you try the classic or a variation of **Pooh Sticks**?

Traditionally sticks were thrown on one side of a footbridge and competitors then crossed over to the other side to see whose stick floated out first.

You don't need a footbridge though, just choose a starting point and throw your sticks in and see whose stick crosses the previously selected finishing line first.

Send us a photo of you and your whanau /friends playing your type of Pooh Sticks.
