Make your own cute caterpillar puppet

Pick up a pack from the library

Make your puppet

- 1** Tie knot at the end of one of the pieces of thread. Then put the other end of the thread through the eye of the needle.

- 3** Glue the eyes on the big pompom.
- 4** Tie the thread from the top of your caterpillar's head to the ice-cream stick.
- 5** With the second thread tie it on to the first thread about 3 pompoms in from the back of your caterpillar.
