## **1 Introduction from the Chair and Chief Executive**

**Hātea Art Precinct Trust (HAPT) is embarking on an exciting new journey, with responsibility for running the Hundertwasser Art Centre with Wairau Maori Art Gallery, due to open in December 2021. This is in addition to the Trust's governance of Whangārei Art Museum in the same Town Basin locale. Collectively they form the Hātea Art Precinct, Aotearoa's most highly anticipated new cultural destination.**

Some 27 years in the making, the Hundertwasser Art Centre will celebrate art and ecological sustainability in a remarkable building dedicated to the legacy of artist Friedensreich Hundertwasser. It contains the Hundertwasser galleries, the Wairau Gallery, an afforested roof with thousands of plants including rare native species, a museum store, an activity centre and a restaurant with a terrace overlooking the waterfront.

This year we celebrate the 25th anniversary of Whangārei Art Museum, Northland's public art gallery.

HAPT wants to enable a vibrant and connected arts community, while removing barriers for people to access and participate in the creative arts sector. HAPT aims to deliver an art precinct that revitalizes the Whangārei region. The goal is to generate business, and to transform and enrich people's lives through the power of art and nature.

Whangārei Art Museum Trust changed its name to Hātea Art Precinct Trust in June 2021, in recognition of our location beside Whangārei's Hātea River and the popular Hātea Loop walk. The Trust's new name will be publicly launched in July 2021.

The biggest challenge we face in the year ahead is the successful opening of the Hundertwasser Art Centre and Wairau Maori Art Gallery. On 3 December 2021 we will open our doors to the public for the first time. The project is 27 years in the making and celebrations will include an official ceremony to honour the many people who brought the project to fruition.

In preparation for our opening, every aspect of operations will need to be in place across the visitor experience such as ticketing, the museum store, galleries and the roof.

The opening of the Hundertwasser Art Centre creates complexity and uncertainty for us. With that comes risk, the most obvious being we must charge an entry fee in a Covid-19 environment where our borders are closed to international tourists. Income from the Hundertwasser is unproven. Professional reports prepared by Deloitte and Crowe Horwath both concluded that the Hundertwasser Art Centre ought to be able to trade profitably, however this was based on pre-Covid 19 assumptions. Our projections for income and expenditure are based on those assumptions, which will need to be reviewed once trading commences in 2021. Revenue from other sources including the museum store, venue hire and activities as well as philanthropic, government and corporate donations will be critical to our survival.

HAPT faces other risks and uncertainty. Whangārei Art Museum is the lowest funded regional art gallery in New Zealand - on both a per capita basis and a gross funding basis. This makes our ongoing sustainability problematic. In addition, WAM has suffered from failing facilities including air conditioning and humidity control. These needs must be addressed if WAM is to remain viable. Whangārei District Council is our largest funder and we look forward to positive news following our recent submission to the Long Term Plan.

## **2 Purpose of the Statement of Intent**

In accordance with section 64 of the Local Government Act 2002, this annual Statement of Intent publicly states the activities and intentions of the Hātea Art Precinct Trust (HAPT) for the next three financial years, and the objectives to which those activities will contribute. This Statement of Intent has been created through liaison with Whangārei District Council (WDC) and includes performance measures and targets as the basis of organisational accountability.

## **3 Purpose of the Organisation**

**Hātea Art Precinct Trust (HAPT)** was established 24 years ago to collect, display, conserve, and promote art in Northland.

The purpose of HAPT is to operate and manage two art facilities in Whangārei; Whangārei Art Museum, which is the public art gallery of the Whangārei District, and the Hundertwasser Art Centre, currently under construction. The Trust is the custodian of Whangārei District's art collection and public art works in the city.

## **4 Approach to Governance**

The governance of the Whangārei Art Museum is the responsibility of a Trust board of seven Trustees, four approved by the Whangārei District Council with the Trust able to appoint a further three Trustees.

Hātea Art Precinct Trust (HAPT) actions and direction are determined by the Trust Deed, which details the objectives of the Trust. These include both the operation of the Art Museum and the requirement to support, stimulate and enhance the artistic and cultural life of the Whangārei District. The Trust's activities will recognise the interests of Tangata Whenua constituents, and actively engage with their relevant arts sector representative bodies.

## **5 Structure of the Hātea Art Precinct Trust's Operations**

The Trust operates two art facilities in Whangārei - Whangārei Art Museum and the Hundertwasser Art Centre, which will open its doors late in 2021. The Chief Executive manages the operations of both facilities and many staff have responsibilities across both galleries. Revenue and expenses for each facility are tracked separately for internal business purposes, although the Trust remains a single financial entity.

Wairau Maori Art Gallery Board (WMAGB) is an independent Charitable Trust, responsible for funding and curating art exhibitions for the Wairau Maori Art Gallery, which is located within the Hundertwasser Art Centre. The collaborative relationship between the HAPT and WMAGB is governed by a Memorandum of Understanding. An operational agreement will be in place prior to opening, to enable simple daily functioning and support for the Gallery by HAPT.

### **5.1 Hundertwasser Art Centre**

An important new building is set to redefine Whangārei as a centre for art and creativity, fostering a new identity for the city. The Hundertwasser Art Centre (HAC) is currently under construction beside the Hātea River. It is based on a design by renowned Austrian artist Friedensreich Hundertwasser, who moved to Northland in the 1970s and became a New Zealander. The Hundertwasser project has been driven by thousands of volunteer hours spanning two decades.

### **5.2 Wairau Maori Art Gallery Board**

HAC will host the Wairau Maori Art Gallery, exhibiting works of prominent Maori artists of national standing. In 2012, a special Maori advisory panel, which became the Wairau Maori Art Gallery Board, was established as a requirement on the Vienna-based Hundertwasser Non-Profit Foundation to honour the artist's wishes to a dedicated Maori gallery in the HAC building. The Board will advise on the curatorship of art and exhibitions in keeping with the harmony, spirit and philosophy of Maori culture.

## 6 Nature and Scope of Activities

HAPT was established in 1996 as a Council Controlled Organisation (CCO), and incorporated as a Board under the Charitable Trusts Act 1957. The Trust's name was changed from Whangārei Art Museum Trust to Hātea Art Precinct Trust in June 2021.

HAPT's Management has established four strategic pillars of engagement which form the lens through which all activities are set and delivered. The pillars are:

- Artistic Excellence (*kaupapa*): art as craft, art as industry, art as technology, art as inspiration, art as a change agent
- Visitor Experience (*manaakitanga*): delivering audience impact
- People (*tangata*): motivate, support and empower
- Sustainability (*kawanatanga*): generating funding and operating efficiently

### 6.1 Activities

#### Managing the Whangārei Art Museum

HAPT is responsible for managing the Whangārei Art Museum (WAM), including maintaining, cataloguing, conserving and displaying works of art. WAM organises and holds exhibitions, including both internally curated exhibitions and touring exhibitions, designed to showcase the full diversity of creative art practice in Northland, New Zealand, and beyond.

#### Education

HAPT has allocated space within the Gallery for public programs, education and events. With specific aims to increase and diversify visitor and community engagement.

HAPT designs a creative, education and interactive element for each exhibition. These elements are designed specifically for our youngest demographic.

HAPT aims to develop a Learning Experiences Outside the Classroom (LEOTC) Programme for the LEOTC contestable fund, which supports organisations to provide New Zealand students with learning experiences outside the classroom. LEOTC providers are organisations that hold significant community resources that support and enhance student learning. The LEOTC contracts are currently tendered on a three-year cycle. The next cycle for the Arts is later in 2021 and recruitment for the role of Programme Developer is in progress.

#### Developing the Hundertwasser Art Centre

In 2016, HAPT began an exciting, but challenging, new journey following a binding public Referendum on use of the Old Harbour Board building, with the community choosing the Hundertwasser Art Centre with Wairau Maori Art Gallery (HAC-WMAG) project. It was agreed that the HAC-WMAG would be operated by HAPT. WDC allocated funding in the 2018-2028 Long Term Plan, for the development of the building.

HAPT will be the operator and owner of the Hundertwasser Act Centre (HAC), with the land portion leased from WDC.

The HAC will host the Wairau Maori Art Gallery, exhibiting works of prominent Maori artists of national standing.

The HAC will be the last authentic Hundertwasser building in the world and the only museum outside of Vienna hosting his art. It will also be New Zealand's only dedicated space for contemporary Maori art. The HAC will provide Northland with an iconic drawcard as a nationally and internationally recognised cultural facility and tourist attraction. The project will contribute to the economic development and tourism growth for the region, while expanding New Zealand's Arts and Cultural community internationally. The Centre will spark employment growth, an enhanced sense of place and pride in establishing a truly multicultural attraction. The centre will target the increased interest in cultural venues in the Asia-Pacific region and its visitor strategy.

The HAC will consist of the following attractions:

- An iconic Hundertwasser-designed building.

- A collection of Hundertwasser artworks valued at approximately \$16m, to be supplied on a rotation basis, by the Hundertwasser Foundation in Vienna.
- Wairau Maori Art Gallery, containing contemporary Maori art on a rotation basis.
- An afforested rooftop with 200 trees and thousands of plants including rare native species.
- Café-restaurant with a terrace overlooking the waterfront.
- Museum store.
- Activity centre, theatre and conference room.

Construction of the HAC commenced in June 2018 and is expected to be completed by September 2021. The building will open in December 2021. The design of the building's unique internal spaces and external finishing is reflected in an original model, created in Vienna by the Hundertwasser Non-Profit Foundation, as the ultimate template for the finished art centre.

## **7 Whangārei District Council Vision**

HAPT will operate in support of the WDC vision and community outcomes. Council's vision is to be *“an inclusive, resilient, and sustainable District”*. This is achieved through the following community outcomes:

- Efficient and resilient core services
- Positive about the future
- Caring for the environment
- Proud to be local

HAPT plays a key role in creating a vibrant, attractive, and thriving District through art. It particularly supports the values of being proud to be local and being positive about the future.

Whangārei Art Museum provides a great opportunity for people of all ages, visitors and residents to experience art. HAC is going to be a significant drawcard for the future of Whangārei.

### **7.1 Whangārei District Council (draft) Arts & Culture Strategy (2018-2028)**

HAPT is well positioned to be a key partner in supporting the Council's Arts and Culture Strategy, which aims to build on the region's strengths, and set a path aimed at realising economic benefits, social benefits and positive environmental effects that lie seeded within Whangārei's cultural identity and cultural scene.

### **7.2 Whangārei Art Museum Vision**

*To tell the story of our district through art and artists, for the benefit of our community.*

Whangārei Art Museum is a place of community and unharnessed potential to reach local and visiting audiences with concepts developed through art in all forms including performance arts, dance, music, film, poetry, digital media, and design. As home to the city's art collection, we are dedicated to its conservation by operating to Museums of Aotearoa standards. We are committed to showing fresh exhibitions promoting local arts, as well as touring artwork from New Zealand and beyond.

### **7.3 Hundertwasser Art Centre Vision**

*To fuel conversations around humanity's profound relationship with art and nature.*

We will provide a unique "living building" and gallery experience that celebrates, explores and promotes the art, architecture, ideas and philosophy of Hundertwasser in a contemporary context.

### **7.4 Wairau Maori Art Gallery**

*To celebrate the contribution and influence of Māori art, which is central to New Zealand's emerging and future identity.*

The Wairau Māori Art Gallery will showcase the best of contemporary Māori art. It will set a precedent for a new kind of gallery - one that empowers outstanding Māori artists, and enables them to exhibit their work in an expertly-curated setting, guided by principles of tikanga.

## **8 Hātea Art Precinct Trust – Internal Monitoring**

HAPT's strategic objectives outline the Trust's emerging thinking and will evolve as the journey progresses. The strategic objectives, and their action areas, are for internal monitoring purposes and will not be reported on in detail under the Local Government Act 2002 requirements. However, a summary of performance against the key objectives, and any major deviations to plan, will be covered in the six-monthly reports to Whangārei District Council under this Statement of Intent.

HAPT is embarking on an exciting, but challenging new journey, with responsibility for the management of the construction and operation of the HAC-WMAG. This necessitated a refresh of the Trust's vision and strategic objectives. Appointment of the Chief Executive to provide operational leadership and management, is a key milestone in supporting achievement of these objectives.

### **8.1 Strategic Objectives**

#### **1. Creating brand identity**

- Transition to 'one organisation'.
- More visible leadership role in the creative arts sector.
- Positioning as a creative hub of Northland.
- Initiate implementation of an energetic and inspiring Public Art Policy, highlighting the environmental, economic, social, cultural and spiritual benefits of a healthy arts policy.

#### **2. Partnering with others for the benefit of our community.**

- HAPT as an enabler of a vibrant and connected arts community in Whangārei district, to enable Whangārei to become the cultural destination of the North.
- Remove barriers to access and participation in the creative arts sector.
- Strengthen relationship with WDC, partnering on agreed outcomes.
- Amplification of educational role in the community, as a pathway for Rangatahi into arts and culture.
- Recognising and responding to the rapidly changing demographic of Northland.

#### **3. Achieving sustainability**

- Securing funding.
- Good governance.
- Financial sustainability.
- Operational efficiency and effectiveness.

In addition to these objectives, there are specific project objectives and action areas for July to December of 2021 to support development of the Hundertwasser/Wairau Maori Art Centre project until it becomes operational in December 2021.

HAC-WMAG Strategic Objectives	Key Performance Indicators
Project governance	A project plan is in place that includes budgets and key milestones.
Leadership	There is support for the Chief Executive to provide operational leadership and management across the combined HAC and WAM art precinct.
Funding	All agreed and pledged funding over the construction period is secured.
Fundraising	Fundraising continues to meet the needs for fit out and operational expenses required prior to opening.
Stakeholder relations	Expectations are met and managed for all stakeholders including the Vienna Foundation, Funders, WDC and the community.
Business planning	The business plan is confirmed and underpins the establishment and operation of the HAC, including the visitor numbers and entry fee model required for financial sustainability, the operational model, and transition planning.
Risk management	Risk is mitigated through adequate insurance (construction and indemnity), best practice Health and Safety management practices and appropriate Project Management and Governance practices.  A risk register for the HAC project is maintained.

## **10 Information to be Provided Throughout the Financial Year**

### **10.1 Half-yearly Report**

The half-yearly report will be provided to Council within 2 months of the first half of the financial year ending (28 February 2022). It will include:

- Commentary on operations for the relevant six-month period, including commentary on both the financial and non-financial results.
- A comparison of performance against the objectives and performance targets set out in the statement of intent, such as:
  - a comparison of actual spending against the budget
  - achievement against the strategic objectives and action areas
  - a comparison of operation hours and exhibition numbers to funding
  - annual survey results on visitor experience
  - evidence of 10 programmes, events or initiatives developed or in development
  - changes in visitor numbers.
- Un-audited financial statements including a statement of financial performance, statement of financial position, cash flow statement, and notes to the financial statements.

### **10.2 Annual Report**

The annual report will be provided to Council within 3 months of the financial year ending (30 September 2022). The annual report will include all the information necessary to enable an informed assessment of operations, including:

- A comparison of the performance targets and measures outlined in this statement of intent, and the actual performance of HAPT for the financial year, such as:
  - a comparison of actual spending against the budget
  - a comparison of operation hours and exhibition numbers to funding
  - discussion on the collection management undertaken.
- Any material variances from the expected performance of HAPT, and explanations for those variances.
- The amount of any compensation HAPT has undertaken to obtain, or has obtained, from Council.
- Audited consolidated financial statements for the financial year including a statement of financial performance, statement of financial position, cash flow statement, and notes to the financial statements.
- An independent auditor's report on the financial statements and the performance targets and other measures by which HAPT's performance against its objectives may be judged.

### **10.3 Quarterly Reports**

Quarterly reports on the key performance indicators for the HAC construction project will be provided to Council for the first 2 quarters of the year, at which point the HAC will be operational.

### **10.4 No Surprises Approach**

To ensure there is timely notification of any major issues, HAPT commits to a no surprises approach beyond the formal reporting requirements. This means that HAPT will inform Council via email or phone as soon as possible of any major issues that arise in the course of operations. HAPT will proactively inform Council when their operations could; create a major issue for HAPT or Council, trigger significant public interest, have political implications, or gain significant media attention.

## **11 Compensation Sought or Obtained**

### **Council Funding**

HAPT receives funding from WDC, and through community donations and grants. The Trust also receives funding specifically for establishment of the HAC-WMAG. The financial statements show the split between funding from WDC, and other sources of revenue.

In 2020/21 HAPT received \$407,747 via a grant from WDC for WAM, \$171,000 as a rent concession, and a rates remission of \$39,415.93 (\$38,177.75 from Whangārei District Council and \$1,238.18 from Northland Regional Council). This Statement of Intent is prepared based on the assumption that the level of community grant funding received from WDC will be reduced to \$398,970 for 2021/22. If there is any significant variance in funding Council may request modification of the Statement of Intent under the Local Government Act 2002, and any variance will be noted in the annual report.

### **Fundraising**

The Trust is responsible for fundraising for the HAC in accordance with the community referendum requirements. This is a significant undertaking for the Trust, given that few art museums in New Zealand operate without local government support. Notwithstanding, HAPT is committed to continued delivery against the principles of the founding Trust Deed, delivery of the actions relating to the Museum in this Statement of Intent, and preservation of the Museum identity through branding.

WAM also relies on continued support from the community through fundraising, to ensure the sustainability of art acquisition, restoration and conservation of the collection. The collection is something for Whangārei to treasure and HAPT is committed to its ongoing preservation.

Friends of the Art Museum was established to celebrate and support the work of WAM. HAPT will seek to reactivate Friends Membership subscriptions via a database and direct marketing activities. To this end, recruitment of a Membership, Events and Fundraising Coordinator was initiated in June 2021. This role will bring resources and focus to the task of increasing revenue for both WAM and HAC.

Funders and supporters of HAPT include the Government's Provincial Growth Fund, Whangārei District Council, Northland Regional Council, Lotteries NZ, Foundation North, Oxford Sports Trust and Pub Charity.

## ● **Appendix 1: Accounting Policies**

### **1 Statement of accounting policies for the year ended 30 June 2020**

#### **1.1 Reporting entity**

The Hātea Art Precinct Trust (HAPT) is incorporated as a trust under the Charitable Trusts Act 1957, is domiciled in New Zealand and registered under the Charities Act 2005, registration number CC28917. It is a Council controlled organisation as defined under Section 6 of the Local Government Act 2002.

### **2 Summary of significant accounting policies**

#### **2.1 Basis of preparation**

All transactions in the financial statements are reported using the accrual basis of accounting. The financial statements are prepared on the assumption that HAPT will continue to operate in the foreseeable future.

The financial statements have been prepared on a going concern basis. HAPT is reliant on Council's continued support of its operations. Council has included funding for HAPT in its 2018-2028 Long – Term Plan. The level of funding for the 2019/2020 financial year is expected to assume the same level of funding. Funding is reviewed on an annual basis. HAPT has also received a letter of support from Council to ensure its going concern basis for a period of one year from the date of the approval of the 2017/18 financial statements.

The Board has elected to apply PBE SFR-A (PS) Public Benefit Entity Simple Format Reporting – Accrual (Public Sector) on the basis that HAPT does not have public accountability (as defined) and has total annual expenses of less than \$2 million.

#### **Goods and services tax**

HAPT is registered for GST. All amounts in the financial statements are recorded exclusive of GST, except for debtors and creditors, which are stated inclusive of GST.

#### **Functional and presentation currency**

The financial statements are presented in New Zealand dollars.

#### **Revenue and expenses**

Revenue comprises the fair value of the consideration received or receivable for the sale of goods and services, excluding Goods and Services Tax, rebates and discounts. Revenue is recognised as follows:

##### **(i) Grants and donations**

Grants and donations are recognised as revenue when they become receivable unless there is an obligation in substance to return the funds if conditions of the grant are not met. If there is such an obligation, the grant is initially recorded as grants received in advance and recognised as revenue when conditions of the grant are satisfied.

##### **(ii) Pledges**

Pledges are not recognised as revenue as HAPT is unable to control the access to the funds. Pledges are disclosed as a contingent asset when the money is pledged and recognised as revenue when the pledged money is received.

##### **(iii) Donated assets**

Revenue from donated assets is recognised upon receipt of the asset if the asset has a useful life of 12 months or more, and the value of the asset is readily obtainable and significant.

##### **(iv) Interest income**

Interest revenue is recorded as it is earned during the year.

##### **v) Sale of goods**

Revenue from the sale of goods is recognised when the goods are sold to the customer.

##### **(vi) Volunteer services**

Volunteer services received are not recognised as revenue or expenditure as HAPT is unable to reliably measure the fair value of the services received.

##### **(vii) Advertising, marketing, administration, overhead, and fundraising costs**

These are expensed when the related service has been received.

## 2.2 Bank accounts and cash

Bank accounts and cash include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts.

## 2.3 Debtors

Debtors are initially recorded at the amount owed. When it is likely the amount owed (or some portion) will not be collected, a provision for impairment is recognised and the loss is recorded as a bad debt expense.

## 2.4 Property, plant and equipment

Property, plant, and equipment (excluding donated assets) are recorded at cost, less accumulated depreciation and impairment losses. HAPT does not revalue its property, plant and equipment. HAPT undertakes periodic impairment assessments of its property, plant and equipment.

### (i) Artworks and donated assets

Purchased artworks are recognised at cost. Donated assets are recognised upon receipt of the asset if the asset has a useful life of 12 months or more, and the current value of the asset is readily obtainable and significant. Significant donated assets for which current values are not readily obtainable are not recognised. Artworks have an indefinite useful life and are not depreciated. Impairment is recognised if identified as below.

### (ii) Asset sales

For an asset to be sold, the asset is impaired if the market price for an equivalent asset falls below its carrying amount.

### (iii) Use of assets

For an asset to be used by the Trust, the asset is impaired if the value to the Trust in using the asset falls below the carrying amount of the asset.

## Depreciation

Depreciation is provided on a straight-line basis at rates that will write off the cost of the assets over their useful lives. The useful lives and associated depreciation rates of major classes of assets have been estimated as follows:

Class of PP&E Leasehold	Estimated useful life	Depreciation rates
improvements Office equipment	10-100 years	1%-10%
Plant and equipment Computer equipment	2-10 years	20%-50%
Artworks	6-60 years	1.6%-17%
	2-5 years	20%-50%
	Indefinite	-

## 2.5 Investments

Investments comprise investments in term deposits with banks, listed bonds, and listed shares. Deposits with banks are initially recorded at the amount paid. If it appears that the carrying amount of the investment will not be recovered, it is written down to the expected recoverable amount.

## 2.6 Creditors and accrued expenses

Creditors and accrued expenses are measured at the amount owed.

## 2.7 Lease expenses

Lease payments are recognised as an expense on a straight-line basis over the lease term.

## 2.8 Tier 2 PBE Accounting Standards applied

HAPT has not applied any Tier 2 Accounting Standards in preparing its financial statements.
