## 1 Introduction

### 1.1 General principles of delegation

This document sets out the terms of reference for committees of Council. The Mayor is responsible for establishing committees and appointing chairpersons. Council, through this document, delegates to committees those powers necessary for them to carry out their responsibilities.

The business to be transacted by Council and its administration is large and wide-ranging, dealing with the details of many Acts and Regulations, the Council's plans, bylaws, and a range of council activities and services. The terms of reference and delegations in this document are intended to reflect the principles of subsidiarity to allow the Council to delegate its powers and functions to the most efficient and effective levels.

The committee to whom the powers are delegated will usually exercise the delegated power but is not obliged to do so. The most common circumstances where the Council or person with the delegation might choose not to exercise it are when the matter has become a matter of public notoriety, or the issues are contentious and finely balanced.

A decision made by a committee under delegation from council has the same effect as if it were made by the Council itself.

### 1.2 Establishment of Committees

#### **Procedures, responsibilities and accountabilities**

Subject to the following limitations, the committees of the whole shall have power to act in all matters concerning the functions listed in their respective delegations, provided they do not conflict with stated policy of Council.

In respect of matters requiring financial input the committee's power is limited to the extent that provision has been made in the annual budgets and in the Long-Term Plan.

All Committees of the Whole:

- a. Shall be responsible for planning, reviewing and implementation of functions, duties, and powers in respect of their delegations.
- b. Shall be responsible for monitoring performance (including budget and performance targets) for their areas of responsibility.
- c. Have delegated power to appoint subcommittees and to delegate their powers to that subcommittee.
- d. May delegate their powers to an officer of the Council.
- e. Can delegate any of its powers to any joint committee established for any relevant purpose under clause 32, Schedule 7 of the Local Government Act 2002 (LGA).
- f. Any committee of the whole has the power to adopt the Special Consultative Procedure provided for in Section 83 to 88 of the LGA in respect of matters under its jurisdiction. (This allows for setting of fees and bylaw making processes up to but not including adoption).

- g. All committees of the whole shall undertake such other functions as may be delegated by Council from time to time and are able to provide recommendations to council where appropriate.
- h. When an Act or Regulation empowers 'the Council' to carry out a decision-making function, that decision must be made by way of resolution of the full council unless the Act or Regulation permits delegation to a committee, subcommittee or officer.
- i. Council cannot delegate any of the following matters to committees, subcommittees or any other subordinate decision-making body (Clause 32(1)(a)-(h) of Schedule 7 of the Act):
  - (a) the power to make a rate
  - (b) the power to make a bylaw
  - (c) the power to borrow money, or purchase or dispose of assets, other than in accordance with the long-term plan
  - (d) the power to adopt a long-term plan, annual plan or annual report
  - (e) the power to appoint a chief executive
  - (f) the power to adopt policies required to be adopted and consulted on under the Local Government 2002 in association with the long-term plan or developed for the purpose of the local governance statement
  - (g) *(Repealed)*
  - (h) the power to adopt a remuneration and employment policy.
- j. The power to make or alter any council policy is limited to those instances where that power has been specifically delegated to the committee.
- k. Any committee of the whole can approve submissions on legislation.

### **1.3 Quorum**

Unless otherwise specified, a quorum is defined as a half, if the total number of members is even or a majority, if the total number of members is odd.

The quorum for committees and subcommittees are stated in the relevant terms of reference.

The Mayor is included in calculating the quorum and is counted towards the quorum when present.

Appointed members are included in calculating the quorum and are counted towards the quorum when present.

### **1.4 Ambiguity and Conflict**

In the event of ambiguity or conflict between the Terms of Reference, which results in uncertainty or dispute as to which committee has the allocated or delegated authority to act in respect of a particular matter, the Chief Executive and the Mayor (or Deputy Mayor in the absence of the Mayor) will make the determination which will be final and binding.

### **Preamble**

Te Kārearea Strategic Partnership Forum was formed late in 2012 between Te Huinga (as advocates of the hapū of Whangarei) and Whangarei District Council. The desire to ‘develop more robust partnership arrangements over time’ was signaled in the 2014 revision of the Agreement. This partnership Committee Represents an important step in that process. While the Purpose, Key Responsibilities and Delegations form the basis for the Terms of Reference to determine what the Committee will do, it is important that the respective principles of each of the Partners continue to underpin the relationship, and that the relationship builds on the foundations outlined in the Agreement. The Statement of Principles for each of the Partners, as established in the foundation relationship agreement, is below.

### **Te Huinga Statement of Principles**

He Whakaputanga o Te Rangatiratanga o Nu Tirenī (Declaration of Independence – 1835) and Te Tiriti o Waitangi, 1840 provides the foundational doctrines of authority and partnership that are being sought after by the hapū of Whangārei as the relationship develops with the Whangārei District Council.

Te Huinga will work towards achieving the strategic intent.

#### *Strategic Intent*

- Vision/Te Pae Tawhiti: ‘Ma nga hapū ano nga hapū e korero’ - ‘Hapū self reliance and prosperity’
- Mission/Te Kaupapa: ‘Achieving hapū aspirations through effective and enduring relationships’
- Whangārei - Māori Community Outcomes:
  - a A rohe with a vibrant Māori culture
  - b A Māori community, which is healthy and highly educated

- c A society that protects and cares for all its members
- d A rohe with a flourishing Māori economy
- e A society that appreciates and cares for its natural environment
- Nga tikanga – Values
  - a Whanau – the extended family is the social unit that Māori identify with.
  - b Mana Hapū - Hapū are the cornerstone of the Māori community and identity.
  - c Mana Motuhake – self-determination, self-reliance and self-sustainability.
  - d Whakarite – Invest time and energy in building decision-making capacity and capability.
  - e Te Manawatoopu – Of one heart and mind. We are stronger working together.
  - f Kia maia – Providing leadership through courage.

### **Whangārei District Council Statement of Principles**

In order to improve and enhance relationships with Māori, Council acknowledge a strategic platform is required upon which to continue to build strong relationships. Council is committed to collaboration with Māori organisations within the District.

Council has a contribution to make towards Māori wellbeing, be it environmental, social, cultural/spiritual or economic. Additionally, further collaboration and relationship building processes with Crown agencies and other local territorial authorities will continue as all such organisations make up part of the many services that impact on Māori wellbeing.

Whangārei District Council wishes to engage with Māori hapū and to recognize the Treaty of Waitangi. The Local Government Act 2002 outlines the obligations of local authorities around the Treaty of Waitangi.

### **Purpose**

To enable the primary partners (Council and hapū of Whangārei) to work closely together to achieve the agreed vision 'He Whenua Rangatira - Whangārei, a district of prosperity, wellbeing and empowered communities' and mission 'Ka tūtuki te Kāwanatanga ā-rohe, ka puāwai hoki te kotahitanga me ōna tini kaupapa - Local Government that works through effective partnership and shared decisions to provide practical solutions'. Central to this is continued development of robust partnerships through learning conversations.

The Committee provides a platform for high level/strategic discussions and priority setting between the primary partners, with preference given to *kanohi ki te kanohi* (face-to-face) and preserving tikanga. Areas of focus include, but are not limited to;

- Identifying the cultural, economic, environmental, and social issues/decisions of Council that are significant for Māori<sup>1</sup> in the Whangarei District. (participation)
- Ensuring Council complies with statutory provisions that refer to Te Tiriti o Waitangi (the Treaty of Waitangi), including providing oversight of key processes and controls (assurance)
- To agree mutual strategic priorities (direction)

However, it is acknowledged that areas of focus/priorities may be beyond the direct control of the committee, meaning that in some areas it will be operating in an advisory capacity.

---

<sup>1</sup> Māori in this context is defined as people that affiliate to a whanau, hapū, lwi, mana whenua groups

Recognising this, and to ensure clarity, the Working Group for Maori Participation in decision making (which was tasked with developing Terms of Reference) split the responsibilities of the Committee into those where it provides advice and recommendations, and those where decision making powers would be delegated.
