

RETURN OF ELECTORAL DONATIONS AND EXPENSES

(Under section 11ZA of the Local Electoral Act 2001)

1. Adam Yang

a candidate for

Councillor - Whangarei Urban General Ward
(Election 2019 - 2022)

15. *Journal of the American Medical Association*, 1997; 278: 1022-1027

At the election held on 8 October 2022, make the following declaration:

PART A: RETURN OF ELECTORAL DONATIONS (inclusive of GST)

I make the following return of all electoral donations received by me that exceed \$1,500.

Set out the following details in respect of every electoral donation received (other than an anonymous electoral donation) that, either on its own or when aggregated with all other donations made by or on behalf of the same donor for use in the same campaign, exceeds \$1,500 in sum or value:

- the name of the donor;
- the address of the donor;
- the amount of the donation or, in the case of aggregated donations, the total amount of the donations;
- the date the donation was received or, in the case of aggregated donations, the date that each donation was received.

H.R. Section 103A Local Electoral Act 2003 defines "donation" as money or the equivalent of money or of goods or services or of a combination of these things used in the candidate's election campaign over \$300 in value. It excludes labour and goods and services that are provided free of charge reasonably valued at \$300 or less.

[illegible]

Set out the following details in respect of every anonymous electoral donation received that exceeds \$1,500:

- the date the donation was received;
- the amount of the donation;
- the specific election campaign to which the donation was designated (see top of page);
- the amount paid to the electoral officer and the date the payment was made.

NRE: Section 103A Local Electoral Act 2001 defines "anonymous" as a donation made in such a way that the candidate who receives the donation does not know the identity of the donor, and could not, in the circumstances, reasonably be expected to know the identity of the donor.

[illegible]
