# Our Summary Document

This is a summary of Council's activities for the year 1 July 2017 to 30 June 2018. The information has been extracted from our 2017-18 Annual Report, which was adopted on 27 September 2018. It has been prepared in accordance with FRS-43: Summary Financial Statements.

This summary does not provide detailed information about our finances and service performance. This can be obtained from the Annual Report available on our website (www. wdc.govt.nz) or at any Council office. Audit NZ has audited the full financial statements and issued an unqualified report. This Summary has been examined by Audit NZ for consistency with the full Annual Report. This report was authorised for issue by Council resolution on 27 September 2018.

# Introduction

The 2017-2018 year has been one of solid progress and achievements for Whangarei District Council.

We had a successful 2017-18 financial year, resulting in an excellent operating surplus before non-cash adjustments (\$12.9 million against the \$3.2 million budgeted) and debt well within the conservative limits set by our Council.

Sound financial planning, together with a prudent approach to spending throughout the year, meant we could fund our works programmes without taking on more debt. With a number of uncompleted projects carried forward to next year, our closing net debt stayed at the same level as last year and was \$37.6 million lower than budget, allowing us to make net interest savings of \$1.3 million.

Our strong financial management has resulted in another AA rating from international credit rating agency Standard and Poors.

We've carried out a huge amount of work across the District - maintaining and improving roads, water, wastewater and stormwater infrastructure as well as our parks and reserves. It's also been a busy year for making plans with work going on behind the scenes across all areas of Council to make sure we are well set up for the future.

Our Long Term Plan (LTP) 2018-2028 was adopted, detailing all the major projects and work we will carry out over the next ten years. Councillors voted to increase funding for stormwater by 53% which means an extra \$34 million will be spent on this important infrastructure.

We're improving our services and building a District that we can all be proud of

Our District continues to grow in population and thrive economically. Overall, we are coping well with this growth. Our water and wastewater infrastructure is some of the best in the country – and our future drinking water supply will be safeguarded with the construction of the new Whau Valley water treatment plant. Our new Tarewa Park wastewater tank is nearly finished – the last of \$60 million upgrades to reduce the risk of untreated sewage entering our harbour during storms. We have also completed a large amount of roading work, including resealing 92km (8.8%) of our sealed roads, and a 2.6km seal extension on Wright Rd.

Other highlights for the 2017-2018 year include the finalising of the new City Centre Plan aimed at creating a vibrant and attractive central city; adopting a new Waste Management and Minimisation Plan to reduce the amount of rubbish going to landfill; installing energy-saving LED bulbs in more than half our street lights; and making excellent progress on the Kamo shared path.

We also completed major works in our parks and reserves, ranging from building new walking tracks, replacing playgrounds and upgrading sports fields, to installing new lighting on the Hatea Loop.

We once more proved we can successfully attract international sporting events with our hosting of the ICC U19 World Cup and our multi-use Northland Events Centre was put to good use for an eclectic mix of events.

Looking to the future, we will be continuing to keep our focus on maintaining and investing in core services while continuing our high levels of service for our community.

Her Worship the Mayor Sheryl Mai

Kman .

### Key projects

- Resealing of 8.8% (92km) of sealed roads, a 2.6km seal extension on Wright Rd and new footpaths built at Austin Rd and Pipiwai Rd.
- Replacing more than half of the District's street lights with new efficient and cost saving LED technology.
- Excellent progress was made on the Kamo shared path project which once complete will create a dedicated cycle and pedestrian path between Kamo and the central city.
- Wastewater work including completing Stage 1 of the Hikurangi Sewer upgrade and repairing and improving a previously damaged main sewer line at Langs Beach.
- Improvements at parks and reserves including upgrades to sports fields at Horahora and Otaika, Parihaka walking tracks, resealing carparks and replacing playground equipment.
- The Whangarei City Centre Plan was adopted, outlining our plans to transform the city centre into a vibrant and attractive focal point for our District.
- Design of the new Whau Valley water treatment plant to replace the existing plant built in the 1950's.
- Adoption of the Waste Management and Minimisation Plan setting out how we will minimise waste to landfill.
- Northland Events Centre was used for several highprofile events supported by Council including Ngāpuhi Festival and Toi Ngāpuhi Māori Arts Exhibition, Fritter Festival and the Six60 concert. Other community events included Matariki Whānau Festival, International Rally of Whangarei, ANZAC Day, Wild Kiwi and Black Caps v West Indies.
- We developed a new Community Development framework, outlining a fresh approach to how Council will partner with our communities.
- We produced a new Whangarei Cultural Guide and video, telling the unique stories and legends of Whangarei Terenga Paraoa. Alongside this our Whangarei Visitor Guide was enhanced to showcase more attractions and activities to a wider audience.
- Both the Camping in Public Places Bylaw and Animal Bylaw were adopted, providing clarity around the rules and regulations for freedom campers and animal owners.

# Meeting our Targets

# We've achieved all six of our financial targets

Target	Result
Achieve a balanced budget	Achieved
Limit rates revenue to maximum of 70% of total revenue	Achieved
Net debt no higher than 150% of total revenue	Achieved
Maintain net interest costs at less than 25% of rates revenue	Achieved
Net debt per capita level below \$2,150	Achieved
Provide sufficient cash surpluses without asset sales to fund planned capital expenditure	Achieved

### We've met 51 of our 69 non-financial targets (74%)

- 100% of targets were met in the Water, Flood Protection and Control Works, Libraries, Resource Consents, Community Services, Parks and Recreation, and Venues and Events areas.
- Performance improved or was maintained against 54% of our targets.
- The Resident Satisfaction Survey shows that overall satisfaction with Council has decreased from 91% in 2017 to 86%. This decrease is attributed to the change in survey methodology which has resulted in a more representative sample of the District.
- We acknowledge that there is room for improvement in some activities and believe that initiatives in place for the next financial year will continue to improve performance going forward.

We have managed our operations effectively, met our financial targets and achieved an operating surplus

### Balancing the Budget

### How the money was spent on activities

### **Operational expenditure**

\*Figures are calculated using the activity Funding Impacts Statements.

### **Capital expenditure**

### Building or replacing our assets

Although the Economic Growth and Solid Waste activities had a small amount of capital expenditure, they each represented 0.1% of total capital expenditure and do not appear on the above graph due to rounding. Flood Protection and Control Works and Planning and Regulatory Services had no capital expenditure.

\*Figures are calculated using the activity Funding Impacts Statements.

### **Our Finances**

Council uses funding through rates, user fees and government subsidies, to provide day-to-day services, maintain our assets and build new ones to cater for the current and future needs of our community.

The graphs on these pages are key indicators of our financial performance and show you where our income came from, how it was spent across all areas of Council, how much we own (our assets) and how much debt we have.

### To the readers of Whangarei District Council and Group's summary of the annual report for the year ended 30 June 2018

The summary of the annual report was derived from the annual report of the Whangarei District Council and Group (the District Council) for the year ended 30 June 2018.

The summary of the annual report comprises the following summary statements on pages 10 to 13:

- the summary statement of financial position as at 30 June 2018;
- the summaries of the statement of comprehensive revenue and expenses, statement of changes in equity and statement of cash flows for the year ended 30 June 2018;
- the notes to the summary financial statements that include accounting policies and other explanatory information; and
- the summary statement of service provision. ٠

### Opinion

In our opinion:

- the summary of the annual report represents, fairly and consistently, the information regarding the major matters dealt with in the annual report; and
- the summary statements comply with PBE FRS-43: Summary Financial Statements. •

### Summary of the annual report

The summary of the annual report does not contain all the disclosures required by generally accepted accounting practice in New Zealand. Reading the summary of the annual report and the auditor's report thereon, therefore, is not a substitute for reading the full annual report and the auditor's report thereon.

### The full annual report and our audit report thereon

We expressed an unmodified audit opinion on the information we audited in the full annual report for the year ended 30 June 2018 in our auditor's report dated 27 September 2018.

### Council's responsibility for the summary of the annual report

The Council is responsible for preparing the summary of the annual report which includes preparing summary statements, in accordance with PBE FRS-43: Summary Financial Statements.

### Auditor's responsibility

Our responsibility is to express an opinion on whether the summary of the annual report represents, fairly and consistently, the information regarding the major matters dealt with in the full annual report and whether the summary statements comply with PBE FRS 43: Summary Financial Statements.

Our opinion on the summary of the annual report is based on our procedures, which were carried out in accordance with the Auditor-General's Auditing Standards, which incorporate the Professional and Ethical Standards and the International Standards on Auditing (New Zealand) issued by the New Zealand Auditing and Assurance Standards Board.

In addition to our audit and our report on the disclosure requirements, we have audited the District Council's 2018-28 Long-Term Plan, and performed a limited assurance engagement related to the District Council's debenture trust deed which are compatible with those independence requirements. Other than these engagements, we have no relationship with, or interests in the District Council or its subsidiaries and controlled entities.
