REF.1.1 Description and Expectations

The District Plan shall primarily address resource management matters for the Whangārei District. Cross referencing of technical standards and regulations assists to maintain a streamlined District Plan.

The District Plan may incorporate by reference the following types of external documents:

- standards, requirements, or recommended practices of international or national organisations; or
- standards, requirements, or recommended practices prescribed in any country or jurisdiction; or
- any other written material that deals with relevant technical matters.

External documents may be incorporated in whole or in part, any amendments, additions or variations specified.

Council shall follow the process specified in Part 3 Schedule 1 of the Resource Management [Act](#) 1991 when incorporating documents by reference in the District Plan.
