

# Mixed Use Zone (MUZ)

## Issues

The Mixed Use Zone (MUZ) seeks to enable activities and a [built form](#) that complement the City Centre and Waterfront Zones. The Mixed Use Zone promotes active street [frontages](#) and a range of activities which aim to enhance economic growth and are compatible with [residential activities](#). It is anticipated that the Mixed Use Zone will experience incremental change in [built form](#) and character as amenity is improved and non-compatible [land](#) uses are relocated to enhance amenity and walkability.

[Land](#) use controls and urban design standards have historically been permissive within the Mixed Use Zone. This has diminished the amenity for residents and visitors and has reduced the feasible [land](#) supply available for [commercial activities](#) and [residential activities](#). Various strategic documents have identified the Mixed Use Zone as an area of change because it is in proximity to key destinations such as the City Centre and Waterfront Zones and the Hatea Loop Walkway. Enhancing the walkability and connectivity within the Mixed Use Zone will help to improve the accessibility to, and vibrancy of, these destinations.

Strategic documents have also identified increasing residential uses within and adjacent to the City Centre as a key objective in the [Urban Area](#). Improving amenity and providing more certainty around anticipated land uses within the Mixed Use Zone will help to better encourage residential uses within the zone.

To enable change within the Mixed Use Zone, a mix of uses are provided for including [residential activities](#), [commercial services](#), [retail activities](#), [visitor accommodation](#) and [community activities](#). It is intended that these activities are complementary to the City Centre and Waterfront Zones. To protect the vibrancy and viability of the City Centre and Waterfront Zones, smaller scale [retail activities](#) and [food and beverage activities](#) are limited.

As increased residential use is a key objective within the Mixed Use Zone and the City Centre Zone, it is important to enhance amenity within the Mixed Use Zone. Activities which detract from amenity, generate high volumes of traffic or operate outside normal business hours are discouraged.

## Objectives

MUZ-O1 – Appropriate Activities	Accommodate a range of activities that do not undermine the strength, vibrancy and viability of the City Centre or Waterfront Zones.
MUZ-O2 – Residential Activities	Promote <a href="#">residential activities</a> and manage activities which would unreasonably detract from residential amenity.
MUZ-O3 – Urban Form	Development achieves high quality urban form that is safe and positively interacts with the public realm and is sympathetic to the surrounding <a href="#">environment</a> .
MUZ-O4 – Walkability	Prioritise pedestrians and improve walkability within the Mixed Use Zone.
MUZ-O5 – Cross Boundary Effects	Avoid or mitigate adverse <a href="#">effects</a> in relation to amenity, noise, sunlight access, visual dominance and traffic on adjacent <a href="#">Residential Zones</a> and <a href="#">Open Space and Recreation Zones</a> .

# Mixed Use Zone (MUZ)

Policies	
MUZ-P1 – Character and Amenity	<p>To recognise the character and <a href="#">amenity values</a> of the Mixed Use Zone including, but not limited to:</p> <ol style="list-style-type: none"> <li>1. An active urban <a href="#">environment</a>.</li> <li>2. A medium to high scale of built development with narrow <a href="#">building</a> and <a href="#">site frontages</a>.</li> <li>3. Moderate levels of noise during the daytime associated with traffic and <a href="#">commercial activities</a>.</li> <li>4. Moderate <a href="#">access</a> to sunlight.</li> <li>5. Active <a href="#">building frontages</a> at ground floor.</li> <li>6. On-street parking with limited off-street parking.</li> <li>7. High presence of pedestrians and cyclists.</li> </ol>
MUZ-P2 – Economic Growth	<p>To enable economic growth and employment opportunities while protecting walkability within the Mixed Use Zone and the vitality and viability of the City Centre, Waterfront and Local Centre Zones by:</p> <ol style="list-style-type: none"> <li>1. Enabling <a href="#">residential activities</a> and compatible <a href="#">commercial activities</a> in terms of the nature, scale, design and hours of operation of the activity.</li> <li>2. Managing and limiting cumulative <a href="#">effects</a> associated with commercial sprawl outside of the City Centre, Waterfront and Local Centre Zones and the Hihītau Precinct where activities may detract from or compete with these areas.</li> <li>3. Managing the scale, design and nature of activities to ensure that:             <ol style="list-style-type: none"> <li>a. <a href="#">Active frontage</a> is maintained and enhanced at ground floor.</li> <li>b. The activity and <a href="#">building</a> design are complementary to the intended Mixed Use Zone character.</li> <li>c. <a href="#">Standalone car parking facilities</a> at ground floor are sleeved by smaller scale <a href="#">commercial activities</a>.</li> <li>d. Activities which cater to private motorists, such as large scale retail activities, <a href="#">drive through facilities</a> and <a href="#">service stations</a>, do not compromise the walkability, streetscape or amenity of the Mixed Use Zone.</li> </ol> </li> </ol>
MUZ-P3 – New Residential Activities	<p>To encourage and provide for <a href="#">residential units</a> by enabling the development of medium to high density <a href="#">residential activities</a>.</p>
MUZ-P4 – Residential Activities and Amenity	<p>To maintain and enhance residential amenity by:</p> <ol style="list-style-type: none"> <li>1. Avoiding <a href="#">industrial activities</a> and <a href="#">rural production activities</a> where external adverse <a href="#">effects</a> cannot be mitigated.</li> <li>2. Managing non-residential activities which generate high levels of noise or motor vehicle traffic.</li> <li>3. Requiring <a href="#">residential units</a> to provide sufficient internal space and <a href="#">outdoor living spaces</a>.</li> <li>4. Managing <a href="#">building</a> scale and design to limit shading and <a href="#">building</a> dominance.</li> </ol>
MUZ-P5 – Ground Floor Residential Units	<p>To maintain and enhance residential amenity and provide for <a href="#">active frontages</a> by sensitively designing <a href="#">residential units</a> at ground floor with regard to aspect such as outlook, <a href="#">outdoor living courts</a>, private entrances, noise, and light exposure.</p>
MUZ-P6 – Outdoor Living Courts	<p>To mitigate adverse <a href="#">effects</a> on residential amenity by providing communal <a href="#">outdoor living spaces</a> where individual <a href="#">outdoor living courts</a> are not practicable.</p>

# Mixed Use Zone (MUZ)

MUZ-P7 – Cross Boundary Effects	To maintain amenity in adjacent <a href="#">Residential Zones</a> and <a href="#">Open Space and Recreation Zones</a> by managing <a href="#">built form</a> and requiring <a href="#">landscaping</a> along shared zone <a href="#">boundaries</a> .
MUZ-P8 – Esplanade Areas	To safeguard esplanade areas and waterfront walkways by avoiding <a href="#">impervious areas</a> adjacent to Mean High Water Springs and <a href="#">river</a> banks.
MUZ-P9 – Walkability	To enhance walkability by: <ol style="list-style-type: none"> <li>1. Managing, and where appropriate avoiding, new <a href="#">vehicle crossings</a> to retain a safe and accessible pedestrian network.</li> <li>2. Implementing traffic calming activities (e.g., lower speed limits and increased shared spaces).</li> <li>3. Providing bicycle parking facilities to encourage and prioritise active modes of transport.</li> </ol>
MUZ-P10 – Subdivision	To achieve active frontage at ground floor and enhance walkability by designing <a href="#">subdivision</a> to: <ol style="list-style-type: none"> <li>1. Limit the creation of rear <a href="#">sites</a>.</li> <li>2. Provide for multiple narrow <a href="#">site</a> frontages.</li> <li>3. Enable larger site frontages on corner allotments to better emphasise future developments.</li> </ol>
MUZ-P11 – Incentives	To enable higher <a href="#">building</a> densities and varied <a href="#">setbacks</a> where <a href="#">active frontages</a> or pedestrian connectivity are enhanced or <a href="#">residential activities</a> are provided.
MUZ-P12 – Safety	To reduce threats to personal safety and security by utilising urban design and <a href="#">Crime Prevention Through Environmental Design</a> principles in the design of developments in the Mixed Use Zone.

## Rules

MUZ-R1	Any Activity Not Otherwise Listed in this Chapter
	Activity Status: Permitted
	Where:
	<ol style="list-style-type: none"> <li>1. Resource consent is not required under any rule of the District Plan.</li> <li>2. The activity is not prohibited under any rule of the District Plan.</li> </ol>
MUZ-R2	Minor Buildings
	Activity Status: Permitted
	Note:
	<ol style="list-style-type: none"> <li>1. Minor <a href="#">buildings</a> are exempt from rules MUZ-R3 – R6.</li> </ol>

# Mixed Use Zone (MUZ)

MUZ-R3	Building and Major Structure Height	
	<p>Activity Status: Permitted</p> <p>Where:</p> <ol style="list-style-type: none"> <li>The maximum <a href="#">building height</a> and <a href="#">major structure height</a> is 16m above <a href="#">ground level</a>.</li> </ol> <p>OR</p> <p>Activity Status: Controlled</p> <p>Where:</p> <ol style="list-style-type: none"> <li>The maximum <a href="#">building height</a> and <a href="#">major structure height</a> is between 16.01m and 21m above <a href="#">ground level</a> and at least one of the following is provided on-site:               <ol style="list-style-type: none"> <li>2 or more <a href="#">residential units</a>.</li> <li>A <a href="#">through-site link</a>.</li> </ol> </li> </ol> <p>Matters of control:</p> <ol style="list-style-type: none"> <li>Means of ensuring ongoing compliance with rule.</li> <li>Appropriateness of <a href="#">through-site links</a> in terms of location, design, size, safety and accessibility.</li> </ol>	<p>Activity Status when compliance not achieved: Restricted Discretionary</p> <p>Matters of discretion</p> <ol style="list-style-type: none"> <li>The matters of control listed in MUZ-R3.2.</li> <li>The extent to which visual dominance <a href="#">effects</a> are minimised.</li> <li>The extent to which the visual impact of exceeding the <a href="#">height</a> limit is mitigated by the location, design, scale, and appearance (including reflectivity) of the <a href="#">building</a> or <a href="#">structure</a>.</li> <li><a href="#">Effects</a> on the privacy and amenity of adjoining sites.</li> <li>Shading <a href="#">effects</a> on adjoining <a href="#">sites</a> and public open space.</li> <li><a href="#">Effects</a> on streetscapes and walkability.</li> <li>The extent to which the proposal demonstrates best practice principles of urban design and <a href="#">Crime Prevention Through Environmental Design</a>.</li> <li>The extent to which the <a href="#">building</a> is consistent with the character and amenity values anticipated within the Mixed Use Zone.</li> <li>The extent to which development in excess of 21m:               <ol style="list-style-type: none"> <li>Has adverse <a href="#">effects</a> on the affected transport network, and three waters networks.</li> <li>Is supported by open space, public amenities, <a href="#">commercial activities</a>, and public and active transport options that are within walking distance to service the proposed residents and/or employees.</li> </ol> </li> <li>The extent to which the intensity of commercial activity arising from those parts of <a href="#">buildings</a> in excess of 21m adversely <a href="#">effects</a> the viability and vitality of the City Centre Zone.</li> </ol>

# Mixed Use Zone (MUZ)

MUZ-R4	Building and Major Structure Setbacks	
	<p>Activity Status: Permitted</p> <p>Where:</p> <ol style="list-style-type: none"> <li>1. The <b>building</b> is within 1m of <b>road boundaries</b> for at least 75% of the <b>site frontage</b> for any front <b>site</b>, except for:               <ol style="list-style-type: none"> <li>a. Any <b>site frontage</b> where a strategic <b>road</b> protection area applies as detailed in TRA Appendix 4.</li> <li>b. Any combination of the following:                   <ol style="list-style-type: none"> <li>i. One <b>setback</b> of up to 3m for a maximum width of 2.5m to allow for a recessed pedestrian entrance.</li> <li>ii. One <b>setback</b> adjacent to a side <b>boundary</b> of the <b>site</b> for a maximum width of 6m to allow for a <b>through-site link</b>.</li> </ol> </li> </ol> </li> <li>2. All <b>buildings</b> and <b>major structures</b> are set back at least:               <ol style="list-style-type: none"> <li>a. 3m from any <b>Residential Zone</b> or <b>Open Space and Recreation Zone boundary</b>.</li> <li>b. 20m from Mean High Water Springs or the top of the bank of any <b>river</b> that has a width exceeding 3m (excluding bridges, culverts and fences).</li> </ol> </li> </ol>	<p>Activity Status when compliance not achieved: Restricted Discretionary</p> <p>Matters for discretion:</p> <ol style="list-style-type: none"> <li>1. # Mixed Use Zone (MUZ)

## PREC4 – Hihiaua Peninsula Precinct (HPP)

### Issues

The Hihiaua Peninsula Precinct (HPP) enables an expanded range of mixed use activities within a portion of the Mixed Use Zone between Dent and Herekino Streets. The activities supported by the Hihiaua Peninsula Precinct include [residential units](#) at ground floor, smaller scale [retail activities](#), and [food and beverage activities](#).

### Objectives

PREC4-O1 – Hihiaua Peninsula	Hihiaua Peninsula is a diverse, vibrant and attractive location to live, work and play.
------------------------------	---

### Policies

PREC4-P1– Enabled Activities	To support a wider range of <a href="#">mixed use</a> activities by enabling smaller scale <a href="#">general retail</a> activities, and <a href="#">food and beverage activities</a> .
------------------------------	--

### Rules

PREC4-R1	Residential Unit
Activity Status: Permitted	Activity Status when compliance not achieved: Restricted Discretionary
Where:	Matters of discretion:
<ol style="list-style-type: none"> <li>1. Every <a href="#">residential unit</a> provides a <a href="#">net floor area</a> of at least:               <ol style="list-style-type: none"> <li>a. For 1 bedroom – 45m<sup>2</sup></li> <li>b. For 2 bedrooms – 70m<sup>2</sup></li> <li>c. For 3 bedrooms – 90m<sup>2</sup></li> <li>d. For more than 3 bedrooms – 90m<sup>2</sup> plus 12m<sup>2</sup> for each additional bedroom.</li> </ol> </li> <li>2. Every 1 bedroom <a href="#">residential unit</a> contains an <a href="#">outdoor living court</a> of at least 4m<sup>2</sup> and at least 1.5m depth.</li> <li>3. Every 2+ bedroom <a href="#">residential unit</a> contains an <a href="#">outdoor living court</a> of at least 8m<sup>2</sup> and at least 2.4m depth.</li> </ol>	<ol style="list-style-type: none"> <li>1. The design, size and layout of <a href="#">buildings</a> to provide appropriate privacy and amenity for occupants on-site.</li> <li>2. The proximity of the <a href="#">site</a> to <a href="#">communal</a> or public open space that has the potential to mitigate any lack of private <a href="#">outdoor living space</a>.</li> <li>3. Adverse <a href="#">effects</a> on active <a href="#">frontage</a>.</li> </ol>
	Notification:
	Any application for a <a href="#">residential unit</a> which does not comply with PREC4-R1 shall not require the written consent of affected persons and shall not be notified or limited-notified unless Council decides that special circumstances exist under section 95A(4) of the Resource Management <a href="#">Act</a> 1991.

# Mixed Use Zone (MUZ)

PREC4-R2	General Retail
