Application Fee

Fees are based on a “cost/risk rating” of each premise and take into account the type of premises, hours of operation and any enforcement actions in the previous 18 months. A weighting for each of these will produce the rating for the premises as shown below.

The “cost/risk rating” is the combined total of the weightings for each of the three parameters set out below. To determine the “cost/risk rating” for your premises, add the three weightings applicable to your premises.

| Type of premises (on licences) | Weighting |

Declaration of Evacuation Scheme

Important: This form must be completed and returned with your licence application.

To enable the District Licensing Committee to approve your licence, your application must be accompanied by the following statement that outlines the building status in relation to having, or not having, an approved evacuation scheme filed with Fire Emergency New Zealand.

In relation to Liquor Licensing (mainly bars and clubs), the most likely criteria is that the facility is capable - through calculation in the Building Act - of holding 100 or more customers. Buildings capable of holding less than 100 people generally don't need a scheme.

If you are unsure of your occupancy numbers, consult the latest Fire Design Report for your building, the building file at Council or contact the Fire Emergency New Zealand representative listed below.

If you are a tenant in a larger building, your building may already have an approved evacuation scheme. Check with the building owner.

To be completed by applicant:

Applicants Name: _____

For premises known as: _____

Street Address: _____

Building Owner: _____

Statement (Tick the option that applies)

- The building has a current evacuation approved under Section 76 Fire and Emergency New Zealand Act 2017 or the Fire Service Act 1975.
Has a trial evacuation been completed in the building in the last 6 months and reported to Fire and Emergency New Zealand? (If not your application may be opposed). Yes No
- The building does not require an evacuation scheme due to either current use or nature of the building.
- We are a tenancy in a larger building with an evacuation scheme approved by the New Zealand Fire Service.
