Conditions

The parking fee exemption entitles you to park the vehicle, referred to on page one and printed on the exemption card, free of charge at any Council car park in Whangārei for the maximum time indicated on the meter or car park.

This exemption applies only to you personally and cannot be used by or transferred to anyone else or another vehicle. You must be a permanent resident of Whangārei District. (One card may be used for a couple if both drivers are over 70 years of age).

If your licence is not renewed or you decide to give up driving or if you're planning to sell your vehicle, you MUST return this card to Customer Services, Whangarei District Council.

If you change the vehicle you drive, please contact Customer Services to amend your card.

You must display the parking fee exemption card in the window sleeve provided. Place it on the left-hand side of the windscreen, where it does not block your view. If you do not display the card, you may receive an infringement notice.

This does not allow you to park in any disability parking or any other prohibited space.

You must provide a copy of both the front and back of your driver's licence and proof of your address when applying.
